Allowable Subject Matter

1. Claims 1-5, 7-15, and 17-23 are allowed.
2. The following is an examiner's statement of reasons for allowance:
 - Regarding claims 1 and 11,

The prior art of record does not teach or fairly suggest a wireless transceiver which transmits data via a transmit path while receiving a feedback signal via a receive path and transmits a feedback signal while receiving data in which transmitting of the feedback signal is performed within a frequency null to provide isolation between the transmit and receive paths.

- Regarding claim 21,

The prior art of record does not teach or fairly suggest a method providing high speed wireless media access between a series of wireless transceivers in which a feedback signal is transmitted in order to stop transmission of data within the series of transceivers until a destination of decoded data is determined.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
